Südafrika

Die "Rainbow Nation" hat eine faszinierende Geschichte. Der weitgehend friedliche Wechsel von einem Ort der Rassentrennung zu einer multikulturellen Gesellschaft macht das Land mit seinen unglaublich vielfältigen Landschaften zu einer unvergleichlichen Ferien- und Reisedestination. Die weltweit schönsten Strände und Buchten sowie atemberaubende Nationalparks im Innern des Landes können erforscht werden.

Beste Reisezeit: Ganzjährig. November - Februar (Sommer- und Regenzeit, Tagsüber warm bei bis 40 Grad), Juni - August (Winter, kühle Nächte, Tagsüber nie richtig kalt bei 20 bis 25 Grad).

Auf nach Südafrika!!!
